

Jay - ZIP Backrest

JAY[®]

- Designed specifically to provide posterior and mild lateral thoracic support for active kids aged 2 to 15 years of age
- The contour shapes vary by size, designed to accommodate the unique shapes of clients of each width. The Zip's extra soft foam provides superior immersion for children's lower weights
- Versatile hardware offers 3" of depth adjustment and 1" of width adjustment to accommodate kids' rapid growth. Its 40° of angle adjustability helps to improve visual orientation and function
- The Zip features an innovative, dual-cover system. The inner cover is water-resistant and easy to wipe off and clean, while its Aqua-guard zipper and anti-wicking thread protect the foam from fluids. The machine-washable, stretch outer cover utilizes naturally anti-microbial, silver-impregnated X-static[®] fiber
- All models include: X-static[®] silver thread stretch cover and universal mounting hardware
