

Ceiling Hoist - Liko - Likorall 242 ES

no image available

- The Likorall 242 ceiling hoist is designed to meet demanding lifting requirements
- The system is an ideal choice for those who want to move the lift motor along a track electronically with a transfer motor, or to control the system with a wireless hand control option
- The patented safety drum with speed limiter facilitates electrical emergency lowering
- Can be equipped with a special carriage for planned transfers between different rooms
- Wireless hand control
- Quick sling bar change thanks to Q-link and Quick-release Hook
- Simple wall charging via hand control or in rail charging

Compliance

AS/NZS ISO 10535:2011
