

Aspire Electric Shower Trolley

The Aspire Electric Shower Trolley facilitates ergonomic showering for both caregivers and patients. Its soft patient surface and electric positioning enhance comfort and safety. Constructed from stainless steel, it maximises durability and supports a high safe working load, accommodating a wide range of patient needs.

- **Hand Control:** Can be mounted on all sides of the trolley in the integrated siderail notches.
- **Platform Extension:** Offers the option to fit a longer padded liner for taller users.
- **Removable Battery:** Easy swaps allow for spare battery charging and constant uptime.
- **Accessible Height:** Range of 460mm low height for standing transfers to 900mm maximum height for ergonomic carer provision.
- **Stainless Steel Frame:** Durable and strong design ensures asset longevity.
- **Electric Adjustable Backrest and Tilt Angle:** Improves patient comfort, visibility, and confidence when being transported, while assisting with drainage.
- **Soft Shower Liner:** Designed to enhance patient comfort during showering or care, contributing to a better patient experience.

Warranty Information

- 1 Year - Components, Hand Control & Cables
- 5 Years - Frame
