

Aspire Gabriel Quattro Action Zero Gravity Lift Recline Chair

Welcome to a new era of luxury seating. The Aspire Gabriel Quattro Lift Recline Chair is designed to redefine relaxation and provide a unique seating experience like no other. Crafted with precision and care, this chair is our newest standout in luxury seating.

- **Shiatsu Massage:** System focuses on the area from the lower thoracic to the sacral region of the back. Adjustable in intensity to meet personal comfort and relaxation preferences
- **Integrated Footrest Extension:** Ensures a comfortable and supportive sitting position by accommodating a wider range of users.
- **All-Day Battery Backup:** Ensures safety and user confidence during power outages.
- **Single Button Lift and Recline Control:** Provides users with a straightforward way to either relax comfortably or quickly stand up.
- **Individualised Adjustment Controls:** With separate controls for the headrest, backrest angle, leg rest angle, and lumbar support, users can fine-tune their seating position to achieve optimal comfort.
- **Customisable Headrest:** The adjustable headrest provides varying neck support options, whether you're reading, watching TV, or need extra support due to kyphosis.
- **Zero Gravity Positioning:** Provides a sensation of weightlessness and helps alleviate compressive pressure in the lumbar spine area.
- **Handset-Controlled Seat Heating:** With the touch of a button, users can adjust the seat heating for a cosy warmth during winter and potential pain relief.
- **Integrated USB A/C Charge Points:** Conveniently located within the armrest, these charging points allow users to power their devices with ease.
- **User-Friendly Handset Buttons:** Featuring large, tactile buttons, users can

easily identify functions, and the buttons are further enhanced with colour backlighting.
