

Sigvaris - Advance Sleeve

Support that goes unnoticed, this arm sleeve combines all-day comfort with a very soft feel against the skin. It provides moisture-wicking properties to keep the skin dry and comfortable, while also being breathable for year-round wear. The Sensinnov top-band ensures that the arm sleeve stays in place all day long. Note: Black color is not available in Class 3.

- All-day comfort
- Soft feel against the skin
- Moisture-wicking properties
