

Ceiling Hoist - Liko - Likorall 250 ES

- The Likorall 250 ceiling hoist is designed to meet demanding lifting requirements
- The system is an ideal choice for those who want to move the lift motor along a track electronically with a transfer motor, or to control the system with a wireless hand control option
- The patented safety drum with speed limiter facilitates electrical emergency lowering
- Can be equipped with a special carriage for planned transfers between different rooms
- Wireless hand control
- Quick sling bar change thanks to Q-link and Quick-release Hook
- Simple wall charging via hand control or in rail charging
