

Aidacare Aspire 200 Steel Patient Lifter

A robust workhorse, the Aidacare Aspire 200 is designed to meet the rigorous demands of professional and facility environments

- **Ergonomic Handles** Provide multiple grip points to suit carers of different heights and strengths
- **Ergonomic Handset** The latest slimline technology from Linak fits neatly in the hand with an intuitive control panel. Battery and service indicator lights assist with service scheduling
- **Powered Leg Function** Opens and closes the legs for lifting stability or accessibility
- **Quick Release Yoke Attachment** One touch release and attach mechanism, designed for the busy caregiver. Padded yoke for added patient safety
- **Sturdy steel frame** with industry leading Linak electronics and warranty provision
- **Safety** Critical features include emergency stop button, emergency lowering and anti-entrapment technology, with both patient and caregiver safety at heart
- **Intelligent Diagnostics** State of the art Linak Jumbo Care control system. Tracks usage and service requirements for safety and compliance
- **Tente Casters:** 2 x 75 mm front castors for maximum under bed clearance and accessibility. 2 x 100 mm rear locking castors for safety and manoeuvrability.
