

## Telescopic IV Pole Malvestio Botero Bariatric Ward Bed

The specific bariatric design focus offers width and length adjustable deck to manage changing needs in both ward and respite environments.

 Contract approved

### Compliance

IEC 60601-2-52:2009

- Low height of 380 mm
- Antibacterial powder coating for improved infection control management
- Backrest translation (autoregression) reduces compression of the thoracic and abdominal areas as the backrest is raised and alleviates shear and pressure for improved skin integrity
- Compatible with all leading bed movers
- Attendant control panel with intuitive pre-programmed single touch functions for speed and simplicity
- 150 mm TENTE Castors
- Central locking castors with integrated directional lock
- Full Trendelenburg functionality
- Integrated folding side rails
- Removable width adjustable head and foot panels
- Back rest angle 0 to 70 degrees
- Knee bend angle 0 to 30 degrees
- Trendelenburg -17 to 17 degrees

### Warranty Information

- 2 Years
