

JAY - J2 & J2 Tall Backrest

- Designed for the client who has minimal to moderate postural needs that may change over time
- The lightweight contoured aluminium shell and contoured foam insert along with 15° of tilt and height adjustability replace the standard wheelchair back upholstery
- J2 provides excellent posterior pelvis stabilisation and posterior thoracic support
- The J2 also has multiple compatible options such as swing-away lateral supports, offset hardware kits and fluid pads to reduce spinal pressure points
- Contoured foam insert distributes pressure over wider area to increase comfort and reduce the risk of skin breakdown

J2 Tall

- The J2 Tall is designed for the taller client with a need for longer trunk support the without interfering with upper limb functional activities
- Provides more aggressive lateral support than the standard J2
- All models include: Universal mounting hardware, Jay AirExchange cover, and Lumbar Shims

Warranty Information

- 2 Years Backrest
- 6 Months Cover
