

NEW PRODUCT LAUNCH

ASPIRE EVOKE 2 YOUTH – Now Available!

The Aspire Evoke 2 Youth wheelchair is highly adjustable, lightweight, easy folding and proportionally designed to enable a personalised fit for youths and smaller adults. A comprehensive range of compatible accessories is available for increased independence and enhanced clinical outcomes.

BENEFITS:

- **Quick-Release 20" Solid Rear Wheels:** Proportionally smaller rear wheels assist with arm propulsion and reduce overall weight for transport and storage.
- **Depth-Adjustable Seating with Rear Angle Adjustability:** Ensures accurate positioning and customization for improved user comfort.
- **Height-Adjustable & Removable Armrests:** Personalise height for comfort and support and removable for side transfers.
- **Swing-In/Out, Height-Adjustable & Removable Foot Rests:** Facilitate smooth user transfers and enable optimal positioning to accommodate changing needs
- **Durable Nylon Upholstery:** Cushioned seat and backrest can be further enhanced with contoured padded overlay (WCA848330).
- **Folding Lightweight Design:** For easy transport and compact storage
