

PRODUCT UPDATE

Aspire Flex Adjustable Seat Walker – Now in New Colours!

We are introducing two new colour options to the Aspire Flex Adjustable Seat Walker range:

Lilac (6" wheels)

Blue (8" wheels)

These new colours expand the range, which already includes **Champagne (6" wheels)** and **Matte Black (8" wheels)**, providing users with more personalisation options. The updates also ensure a suitable replacement for users transitioning from the Freedom Modula walker range.

WAF709660PU – FLEX 6" WALKER (Lilac) - **NEW**
WAF709670BL – FLEX 8" WALKER (Blue) - **NEW**
WAF709660CH – FLEX 6" WALKER (Champagne)
WAF709670BK – FLEX 8" WALKER (Matte Black)

KEY FEATURES AND BENEFITS

- **Height adjustable frame** Easily adapts to a wide range of user heights, ensuring comfort and proper posture during use.
- **Available in two-wheel sizes (6" and 8")** Smaller wheels are ideal for indoor or smooth surfaces, while larger wheels provide better performance on uneven or outdoor terrain.
- **Lightweight design (6.3kg for 6" wheels, 7.3kg for 8" wheels)** Simplifies manoeuvring and makes the walker easier to lift and transport, helping users stay mobile at home or on the go.
- **Padded seat** Provides a more comfortable experience when taking a break from walking.
- **Adjustable and lockable brake handles** Improves safety by allowing users to secure the walker in place and maintain control on uneven ground or slopes.
